

Partner Case Study Checklist

Looking for new clients? As a digital agency, you've used lots of different tools. Share your Hatchbuck expertise on your blog to position yourself as a CRM and marketing automation guru.

Here are a few starter questions to help you write a quick, effective blog post for your site.

- What were your sales and marketing challenges before you used Hatchbuck?
- How has Hatchbuck specifically addressed your challenges?
- What was the big "Ah-Ha!" moment that reinforced your decision to try Hatchbuck?
- What's one Hatchbuck feature that you or your clients can't live without?
- What measurable results have you seen since you started using Hatchbuck? (solid metrics help tell a great story!)
- Are you using Hatchbuck in any unique ways that you think the world should know about?
- What's the single biggest reason you use Hatchbuck for your clients?
